

30<sup>th</sup> Annual Meeting of the European Association of Law and Economics

September 26-28, 2013

Warsaw, Poland

## LIST OF HOTELS

Hotel bookings should be made by conference participants directly at the hotels. The EALE Warsaw 2013 Local Organizing Committee made a provisional block reservation for participants of the conference at several hotels listed below. Please contact the hotel directly by telephone or e-mail and use the password "EALE 2013" when making the reservation in order to benefit from the rates mentioned below. As September is high conference season in Warsaw, we strongly advise early bookings.

Most of the hotels are situated close to a bus stop with direct connection to the main campus of the University of Warsaw and the conference venue. From some of them the conference venue can be reached on foot. Approximated distances from the conference venue are provided below.
