## Description:

Fryderyk Chopin (1810 – 1849) was the greatest and most talented Polish composer of all times. His music became famous around the world and is admired today by thousands of people across the globe.

We offer you a special tour dedicated to sites related to Chopin's life. We will take you to Żelazowa Wola, Chopin's birthplace, which became the destination of pilgrimages by music lovers from around the globe.

You will visit Chopin's manor house and museum. Afterwards you will be invited to the beautiful „Polka” restaurant for a refreshment. Then we will move to the village of Brochów to see the 16<sup>th</sup> century church where Fryderyk's parents got married in 1806 and he was baptized.
